

Consecration to Our Lady of Discernment

Lady and Teacher of Discernment, living and active temple of the Holy Spirit, undeniable disciple of the wisdom of God, strengthen, with Your beloved Son Jesus, my inner temple.

May this tent of encounter – my heart – be the strongest of my being, in union with the united hearts of the Father, Son, Holy Spirit and Saint Joseph so that we may be one in Your Immaculate Heart where we all form a tabernacle of adoration and praise to God.

I choose You as my tutors and teachers because I want life – I want more of the divine life. Save me from choosing anything that is not for the service of those who need me.

Thank you for coming to us as ***Our Lady of Discernment*** and for bringing us close to the tree of life, Your Son, Jesus Christ. May our hearts be tabernacles – meeting places, where others may see Jesus Christ in us.

My Mother, give me the grace to live in unity, sanctification and service. Give life to our minds, to think the way You think, which is the way Jesus is, and thus resemble Him.

Mother of the Spirit of Discernment, strengthen my will to choose God as my only priority. Take care of my body, my heart and my spirit, that are a “tent of encounter,” to be able to live in total discernment. Amen.
