

Prayer to the Child Jesus to Grow in Me

Divine Child Jesus, I am here prostrate at Your feet. I declare myself careless, negligent, stubborn and ignorant for not having grown physically, intellectually, socially, emotionally and spiritually. Help me, Child Jesus, to maintain a constant balance in my life.

My beloved Child Jesus, be my guide, to help me grow even in the most critical areas of my life. Oh, Holy Child, do not allow me to walk this life unfocused and on shaky ground. Sustain me and, if I fall, allow me to foresee what I must leave behind and to recover what I have carelessly lost. Let me gain in maturity and virtues.

Divine Infant Jesus, You know the purpose of my spiritual growth. Give me the grace, the wisdom and the discernment to grow with You in humility, truth, trust and selflessness.

Do not abandon me, Child Jesus. I invite You now and forever to enter into my life. I accept You as my Lord and Savior. Heal me, change me and fortify me in body, soul and spirit.

Divine Child of Growth, I place myself in Your hands with faith, that guided with Your light You will direct my future. I invite You, from now on, to help me grow. I am all Yours.

Take with You all my worries about the future, that I will be able to understand that in Your hands all will be provided for me. Help me rediscover the present moment, fulfilling my daily duties freely and lovingly.

Make it possible for me to grow with You experiencing joy, love and compassion.

Divine Child Jesus, I beg You to grow in me. (3 times)
